Personal Profile

Self-motivated and hard-working Software Engineering Student seeking experience with using and applying developer technologies in real-world situations. Committed to working towards attaining as much knowledge and skill to succeed in the role of Frontend or Full-Stack Developer. Managed to work efficiently in a team of peers in order meet the requirements and expectations of a client.

Work Experience

Volunteer Ticker Handler || Tramlines Festival

July 2022

Hillsborough Park, Sheffield

- Handled customer concerns and escalated issues to a supervisor.
- Scanned physical and digital tickets to prevent unauthorised entry.
- Worked effectively with fellow volunteers to provide swift customer service.

Education

GCSE || King Egbert School

2016 - 2021

Overall, I received 8 GCSEs all of which were above a 5 and 2 BTECs one with Distinction.

National Extended Diploma || The Sheffield College

2021 – 2023

Awarded Triple Distinction (DDD) after the 2-year course.

BEng (Hons) Software Engineering

Sheffield Hallam University

2023 – Present

Completed my first year with 3 firsts and a 2.1 from the 4 modules studied.
